General Information:

1. If there are any new employees included on the forms, please attach copies of all their 403(b)(9) forms, if they have not already been provided to the BIC Foundation. Copies of all applicable forms can be found on our website at <https://bicfoundation.org/403b-retirement-plan/>. **If these forms are not provided to the Foundation**, we will not have the necessary information to record and deposit the check and the check will be returned to the sender.
2. Please also notify the BIC Foundation of any changes to how the employer or employee contributions are being calculated, or of any participant employment changes, such as people going from hourly to salary, part time to full time, or terminations.
3. If you use a 3rd party bill-paying service, the information from this coupon is still required (Breakout of Employer Nonelective, Employer Matching, and Employee Salary Reduction Contributions by Participant, tax year of the contribution).
4. At the end of each Plan Year (12/31), the Foundation will require each participating church to provide a Payroll Summary Report that shows what each participating employee was paid for the entire year. The IRS requires that the Foundation verify that each church is contributing the amount that they stated in their Addendum, as well as sending the employee contributions that were requested by each employee. Therefore, the Foundation needs the Payroll Summary Report to meet this IRS requirement.
